Instruction for Medical Alert

The Medical Alert is to assist First Responders in their ability to care for you in times of critical emergencies. The Medical Alert Information Sheet will provide crucial information about your medical conditions, diseases and medications to best treat you when there is an issue. Please follow these simple steps:

1. Place sticker on your front door, this will alert First Responders to look for your MEDICAL ALERT.
2. Place magnetic pouch on your refrigerator door, First Responders are trained to look for the MEDICAL ALERT.
3. Fill out this Medical Alert Information as accurately as possible and update as frequently as you go to the doctor with any changes.

Replacement cards are available to at www.hutchregional.com or at one of the Hutchinson Regional Healthcare System entities listed above.
