# Questions for the Panel

Help us understand our community needs

**Take the survey.**

Welcome to the Reno County Healthcare Assessment Survey!

This survey is being conducted in partnership with the Hutchinson Regional Medical Center, Reno County Health Department and the Community Healthcare Improvement Council. The purpose of this survey is to get your opinions about community health and health problems in Reno County. The Community Healthcare Improvement Council will use the results of this survey to identify the most pressing problems which can be addressed through community action. Individual responses will remain confidential; only total survey results will be shared. Thank you very much for your participation in this important community survey!

#### Community Overall

1. How would you rate your community as a "Healthy Community"?

- ☐ Very Unhealthy    ☐ Unhealthy    ☐ Somewhat Healthy    ☐ Healthy    ☐ Very Healthy

\* 2. Please indicate your level of agreement with each of the following statements.

# About the survey.....

# Spread the Message!

This community  
needs everyone  
pulling together to  
create a place that  
promotes active and  
healthy lifestyles!
